

Technical Quiz Competition Rule Book

1. General Rules:

- The Technical Quiz Competition consists of 20 multiple-choice questions.
- Each question has four options, and only one option is correct.
- There are no negative marks for incorrect answers.
- The total time allotted for this round is 30 minutes.

3. Online Quiz Platform:

- The quiz will be conducted through a designated online quiz platform.
- Participants are required to log in to the platform using the credentials provided.

4. Quiz Format:

- The quiz will be in the form of multiple-choice questions (MCQs).
- Participants must select the correct option for each question within the specified time limit.

5. Time Management:

- Each question will be displayed for a fixed duration.
- Participants must answer the question within the allocated time.
- The total time for the entire quiz is 30 minutes.

6. Scoring:

- Each correct answer earns the team points.
- **In case of a tie in scores, the member with the faster overall completion time will be ranked higher.**

7. Technical Issues:

- In the event of technical difficulties, the quiz coordinator will make necessary arrangements to address the issue promptly.
- If a participant faces technical problems, they must contact the quiz coordinator immediately.

8. Fair Play:

- Participants are expected to maintain the integrity of the competition.
- Any form of cheating or unethical behavior will result in disqualification.

Disclaimer

- Changes: The organizers reserve the right to make changes to the rules or questions if necessary.
- Fair Play: All teams are expected to follow the rules and exhibit fair play. Any violation may lead to disqualification.
